APPLICATION FOR BOAT REGISTRATION

Sherwood Forest lakes and beaches are private and are for the exclusive use of members of the Sherwood Forest Lake District and their guests.

To that end, any craft operating on the lakes will display a current SFLD Registration Sticker. Registration increases security in our private community and allows for better recovery of lost boats. To apply for registration, please complete the following for each craft you wish to use in Sherwood Forest.

I UNDERSTAND:

That internal combustion engines are prohibited on all lakes and waterways of Sherwood Forest with the exception of Big Robin Lake where motors can only be operated at a speed sufficient to maintain steering way and slow enough to avoid creation of any wake. And that all engines must be maintained so as to minimize pollution and noise emission;

I also have read and will comply with the Massachusetts Department of Conservation and Recreation pamphlet Prevent the Spread of Invasive Species and will follow the cleaning and use directions contained therein http://www.mass.gov/dcr/watersupply/lakepond/downloads/boatingBrochure.pdf;

I agree that the sticker assigned to the described water craft will be firmly affixed just below the gunwale on the starboard side (right side facing toward the front of the boat) of the transom or if the water craft has no transom, on the top of the back of the starboard pontoon; or if a double-ender (e.g. kayak or canoe) at the aft end of the starboard side.

NOTE: The surface should be thoroughly cleaned before any sticker is applied;

I will assume full responsibility for the actions of anyone else who I authorize to use this water craft, including but not limited to family members, relatives, and guests.

I attest that I am a member in good standing of the Sherwood Forest Lake District.
